All that is required is soap, (preferably Lenox Soap), water, tubs, a boiler and a wringer.

The easy way is the best way. It gives the best results—for the laundress and for the clothes.

The easy way is described on the inside of the wrapper which surrounds every cake of Lenox Soap.

### WATERBURY.

Mrs. Mary Wells Observed Birthday Anniversary—Of Prominent Family.

Mrs. Mary L. Wells celebrated in a quiet way her 81st birthday on Monday at the home of her daughter, Mrs. Carolyn Harrison, on Union street. Friends called and delightful reminiscences were given. Mary Louise Arms was born in Duxbury, Jan. 9, 1830, the daughter of Ira and Pernelle (Asherton) Arms. Her father was a prominent man in town, being town clerk for 24 years. He also represented the town for four years.

For a long time he was deacon of the Congregational church. Deacon and Mrs. Ira Arms had five children: C. N. Arms, formerly a merchant here; Philo, the father of Mrs. C. H. Hayes; George C. of Bristol, Conn.; Mary L. and Lucetta Drew, who married Theodore Lunson. Of this family, none in every way of living, only Mrs. Wells and her brother, George, in Connecticut, who is now 85, remain. Miss Arms was educated in the common schools and Bakersfield academy. She early began teaching and after instructing the youth of her own and surrounding towns and passing through the experience of "boarding around," she went in 1851 to Attica, Indiana, where she taught for two years and lived with an uncle. Here she met Isaac Wells of Plainfield, N. J., and on Aug. 4, 1853, they were married at the old home by Rev. C. C. Parker. After this, they traveled, settling in Indiana for a time but finally returning to Waterbury. Here Mr. Wells and George Arms embarked in the grocery business in the block where the Barnham block now stands. Everything was burned in the fire of 1850, which swept away the hotel and everything between that and the railroad. Mr. Wells soon became a traveling salesman and Mrs. Wells began the millinery business. One daughter, Mamie, was born to them, who lived to be nearly five years of age. After her death, Carrie Leighton was received into their hearts and hands and legally, and in every way, became as their child. Mr. Wells died Feb. 3, 1885. Since then Mrs. Wells has lived on the old place or in later years with her daughter in Connecticut. With the selling of the home place to Samuel Baird in June, 1907, ownership of any real-estate in Duxbury passed out of the Arms family. Mrs. Wells tells many interesting things, among them the summer that was spent by Mr. Wells, the daughter and herself on Camel's Hump, when the hotel was there. She retains a lively interest in everything pertaining to the good of the community. In the Congregational church she has been a faithful worker and is the oldest member in point of length of membership. The younger people bless the influence of a life which is such a benediction.

Game Warden Parcher was in Fayston Wednesday, of last week, adjusting damage done by deer.

The stockholders of the Waterbury National bank met Tuesday morning and elected the following directors: Senator W. P. Dillingham, C. C. Graves, G. W. Morse, J. T. Shipman, C. L. McMahon, W. B. Clark and H. C. Whitehill. The directors then elected the following officers: President, Senator Dillingham; vice president, C. C. Graves; clerk, G. W. Morse.

The Vermont, issued this week is a specially informing number. It contains fifteen pages of forestry, nine devoted to ladies' week at the capital, four to child labor, a description of a midwinter trip up Stratton mountain and an enjoyable salt water yarn with a Vermont string to it. Thirty-one illustrations and a two-color cover complete an attractive issue of our modest state magazine.

### KIDNEYS ACT FINE

#### AFTER A FEW DOSES

The Most Severe Backache or Any Bladder and Urinary Misery Will Simply Vanish.

The real treachery and danger in kidney trouble is because the first symptoms are always seen in other parts of the body before anything wrong is noticed with the kidneys themselves.

The moment you suspect any kidney, bladder or urinary disorder, or feel a dull, constant backache or the urine is thick, cloudy or offensive or full of sediment, irregular of passage or attended by a scalding sensation, begin taking Pope's Diuretic as directed, with the knowledge that there is no other medicine, at any price, made anywhere else in the world, which is so harmless and will effect so thorough and prompt a cure.

Put an end to kidney trouble while it is only trouble—before it develops into dropsy, gravel, diabetes or Bright's disease.

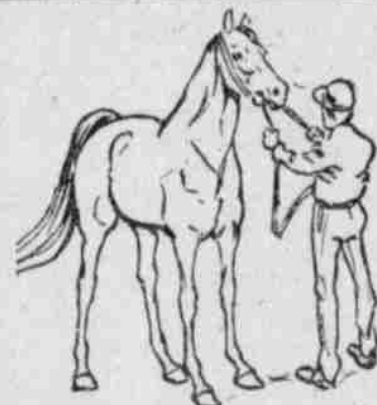

Pope's Diuretic acts directly upon the kidneys, bladder and urinary system; cleanses, heals and regulates these organs; ducts and glands and completes the cure within a few days.

Pains in the back, sides or loins, rheumatic twinges, debilitating headache, nervousness, dizziness, bilious stomach, prostatic trouble, sleeplessness, inflamed or puffy eyelids, weakness, worn-out feeling and many other symptoms caused by clogged, inactive kidneys promptly vanish. Frequent, painful and uncontrollable urination due to weak or irritable bladder is overcome. Your physician, pharmacist, banker or any mercantile agency will vouch for the responsibility of Pope, Thompson & Pope of Cincinnati, who prepare Pope's Diuretic—50 cent treatment—sold by every druggist in the world.

### RANDOLPH.

John Prince of This Town Was Killed by Train at Chester, Mass.

News has reached here of the death of John Prince in Chester, Mass., where he and Mrs. Prince were passing the winter with their daughter, Mrs. Sherwin Flint. Mr. Prince was sweeping up corn which was leaking from a freight train that was passing the house and in attempting to jump out of the way of a locomotive fell backward between the cars of a passenger train and was instantly killed. Mr. Prince was born in Bethel July 25, 1825, and came to Randolph to live in 1868, and the same year built the tub factory on the site now occupied by the Sargent, Osgood & Roundy foundry. For 30 years this was one of the principal industries of the village, but with the changes in business the manufacture of tubs became less profitable and the property was sold for foundry purposes. John Prince married Betsey A. Clark of Moretown, who survives him, with two of the five children born to them, Fred E. of Pittsburg, Pa., and Jessie, wife of S. M. Flint of Chester.

E. I. Cladin was in Barre Tuesday, attending a directors' meeting of the Orange County Telephone company.

Mr. and Mrs. W. C. Slack are entertaining Mr. Slack's sister, Mrs. Jennie Unwin, and her son, from Somerville, Mass.

Frank Dennis Butties and Miss Geneva Edna Manning, both of Bethel, were married here on Wednesday by Rev. Dr. A. L. Cooper.

Mrs. Della Gourley, who is passing the winter in Montreal with her daughter, was here the first of the week, the guest of Mrs. Clara Averill.

Mr. and Mrs. Duncan, who were recently married, left here Wednesday for their new home in Knowles, Cal. It will be remembered that Mrs. Duncan is the daughter of Mr. and Mrs. Dix Camp.

A. M. Vaughan, while in the woods for a load of logs, the first of the week, injured his ankle so badly that he was unable to get to the house alone. Mr. Vaughan broke this same leg in the summer and has but just recovered sufficiently to do without his crutches, and he is now obliged to return to them.
